To become the people God has called and created us to be, We must see ourselves more kindly and listen for God's nudges. We must be willing to respond, pay attention, and do the work. Alone this is difficult, so we connect to a community of support. We grow together in faith, encouraging and challenging one another, We experience joy serving our neighbors, and sharing the amazing things God is doing. There is nothing ordinary about this transformation. So keep alert: We listen and prepare to act as we Become the People of God!
