The world needs to change, a lot. There are so many changes needed, We can get overwhelmed, especially if we think we need to make them by ourselves. We need to remember that God is already at work. God has been, and always will be, doing a new thing. We are called to show up and cooperate with what God is doing! We are the changemakers, and we are being made ready. May we be changed and inspired by this co-creative time of worship!
